### Guaranteed Lifetime Withdrawal Benefit (GLWB) Fees

- The GLWB Fee 1.20% is paid out of the contract.

### Trailing commission

We pay a trailing commission for as long as you own the fund. It is for the services and advice your advisor provides to you. The trailing commission is paid out of the management fee. The rate depends on the sales charge option you choose:

- Initial sales charge – up to 1% of the value of your investment each year
- Deferred sales charge – up to 0.5% of the value of your investment each year

## WHAT IF I CHANGE MY MIND?

You can change your mind about switches you make under the contract within two business days of the earlier of:

- the date you received confirmation of the transaction; and
- five business days after it is mailed

You have to tell us in writing, by email, fax or letter, that you want to cancel. The amount returned to the original fund will be the lesser of the amount you switched and the market value, if it has gone down. The amount returned only applies to the specific transaction and will include a refund of any sales charges or other fees you paid for the cancelled transaction.
