

A (web)site for sore eyes

We've upgraded our website to enhance the overall user experience. Check out what's new!

1. One combined website to provide you with a seamless experience between the public site and the secure site

Old public site home page (ivari.ca)

Old secure site home page (secure.ivari.ca)

New public site home page (ivari.ca)

New secure site home page once logged in – still ivari.ca

2. A new, simplified menu layout with easier navigation so you can quickly find what you're looking for

Old menu on the secure site

The screenshot shows the 'ivari extra' website header. It features a search bar, a phone number for Advisor Service (1-800-846-5970), and a navigation menu with items: Insurance, Investments, Tools, Business corner, CE Corner, and Events. Below the menu is a 'Quick Links' section with links to ivari Learning Centre, AppVantage, and webcappow. A main content area titled 'What's happening?' includes an image of a woman and a child, and text about a partnership with Everest to offer new prosperity products.

New menu on the secure site – Under the new “For My Business” tab you will find your advisor tools, news, marketing materials and guides, quick links and the CE Corner.

The screenshot shows the updated website header. It includes the 'ivari' logo, a 'Got a question?' link, and user options for 'Advisor login', 'My ivari', and 'FR'. The main navigation menu is expanded to include 'Products', 'Resources', 'About ivari', and 'For My Business'. The 'For My Business' dropdown menu is highlighted and contains four columns of links: 'Advisor Tools' (Message Centre, webcappow, Commissions, AppVantage, Forward, LifeView, webCMS, My Investment Profile), 'Business Corner' (Forms & Guides, ivari express, Brokerage News, WFG News, Greatway News, Mobile App, Marketing Materials, Product Contract Information, Checklists & Worksheets, Practice Management, Prospecting Support, Social Share), 'Company Quick Links' (New Business & Policy Admin, Underwriting, Compensation & Contracting, Compliance, Convergix), and 'CE Corner' (Learning Centre, Continuing Education (CE), ivari Learning). Below the menu are two images of people working together.

Advisor use only
