### Historical fund changes

- October 22, 2024: The Designated Index of the following CI Managed Index Interest Option underwent a name change on June 21, 2024. The investment objective of the fund did not change. Accordingly, effective, on or about October 22, the name of the corresponding Managed Index Interest Option was updated to reflect the new name as listed below:

Previous Managed Index Interest Option	New Managed Index Interest Option
CI Canadian Small/Mid Cap Equity Income	CI North American Small/Mid Cap Equity

- December 5, 2022: Fiera Capital Corporation is implementing some funds changes across its platform in December 2022. Two of these changes are impacting our universal life insurance fund line-up. The Designated Indices of the following imaxx Managed Index Interest Options will be terminated on or about December 21, 2022. The investment objective of the previous and new Designated Indices is similar. Accordingly, effective on or about December 5, 2022, the Designated Index of the corresponding Managed Index Interest Options were changed to reflect the new Funds as listed below:

Previous Managed Index Interest Option	New Managed Index Interest Option
imaxx Canadian Bond Index Interest Option	Fiera SFI – Canadian Universe Bond Index Interest Option
imaxx Canadian Equity Growth Index Interest Option	Fiera Canadian Equity Index Interest Option

- April 8, 2022: CI Global Asset Management implemented several mergers across its platform in early 2022. Two of these mergers impacted our universal life insurance fund line-up. The investment objectives of the funds are similar. On or about April 8, 2022, the Managed Index Interest Options and their Designated Indices below were updated to reflect the continuing CI mutual fund.

Previous Managed Index Interest Option	New Managed Index Interest Option
CI Canadian Small/Mid Cap Managed Index Interest Option	CI Canadian Small/Mid Cap Equity Income Index Interest Option
CI U.S. Equity Index Interest Option	CI U.S. Equity Class Index Interest Option

- April 8, 2022: The Designated Indices of the following Invesco Managed Index Interest Options underwent a name change. The investment objective of the funds did not change. Accordingly, effective on or about April 8, 2022, the names of the corresponding Managed Index Interest Options were updated to reflect the new names as listed below:

Previous Managed Index Interest Option	New Managed Index Interest Option
Invesco International Growth Class Index Interest Option	Invesco EQV International Equity Class Index Interest Option*
Invesco Canadian Balanced Index Interest Option	Invesco Canadian Premier Balanced Index Interest Option**

\*The Designated Index underwent a name change in March 2022.

\*\*The Designated Index underwent a name change in 2018.

- October 25, 2021: the name of the Managed Index Interest Option was updated by ivari to reflect the change as follows:

Previous Managed Index Interest Option	New Managed Index Interest Option
CI U.S. Equity Income Index Interest Option	CI U.S. Equity Index Interest Option

**Historical fund changes (continued)**

- July 29, 2021: the Designated Indices of the following CI Managed Index Interest Options underwent a name change. The investment objective of the funds did not change.
