NOTE: Print the correct certificate for your province and keep it for your records. It is your responsibility to print and keep any CE certificates for submission to your provincial body.

If you do not see a link to print your certificate, there are three possible reasons:

1. The event was not CE accredited.
2. You did not attend the full event to qualify for CE credits.
3. The event is certified in Quebec and your certificate will be emailed to you.
