

Virtual healthcare by Maple.

As the person insured under an ivari critical illness policy, you, your partner and your eligible dependents* (including children and elderly parents) can now access Canadian-licensed doctors and specialists online, fully covered**, from the comfort of your home.

- Connect to a doctor within minutes for medical advice, prescriptions, lab requisitions, and more (up to four times per year for each insured).
- Connect with specialists for expert medical opinions for a specified list of covered conditions (available only to the person insured).

* Eligible dependents are anyone in the policyholder's household for whom the policyholder is legally authorized to make healthcare decisions (e.g., a partner, a child under 18, or an elderly dependent). Read Maple's [Coverage Guide](#) for more details. "Partner" means a person with whom the Insured is (a) legally married, (b) in a civil union, (c) in common law relationship, (d) live together in domestic partnership, or in an adult interdependent relationship and either have lived together for at least one (1) year or are together the parents of a child.

** Restrictions and conditions may apply to your coverage. Please speak to your advisor for details.

Virtual Healthcare Services by Maple is a non-contractual benefit and is subject to program availability. Maple Corporation is the sole provider of the Virtual Healthcare Services available with ivari Critical Illness policies. ivari and its affiliates are not liable for the quality or availability of the products or services offered by Maple Corporation or any of its affiliates.
